Sporting Regulations 2025

14.3.2 General Safety Regulations and Drivers conduct on circuit.

17. A Driver entering a gravel trap and then re-joining, must avoid bringing gravel onto the track and particularly onto the racing line. ~~Any Driver ignoring this instruction may be penalised. In free practice and qualifying, any car that drives through and out of a gravel trap must go directly to the pits to be checked before continuing the session. In the race, an instruction will be issued by Race Control if a car must pit to be checked. In all cases when leaving a gravel trap, a Driver must re-enter the track offline and avoid depositing gravel on the racing line.~~
