Protocol for storage of fuel and other hazardous fluids for all championships

- During event days, only a working stock of fuel for one day may be present in the garage, awning or trailer. All other stock should remain in the fuel compound.
- The fuel should be stored in sealed containers, drums or cans.
- The working stock may not be located in the route of forklift trucks or other means of transport.
- The working stock may not exceed 400 liters and must be placed on a drip tray with a capacity of +10%.
- Two fire extinguishers with a minimum capacity of 6 liters and suitable for class B fires (liquid) must be present in direct surrounding of the storage.
- Presence of sufficient absorbents which can be used in case of spillage.

- Each team is responsible for the drip trays, extinguishers, grit and absorbents.
- A daily check will take place to ensure that each team meets all requirements.

11. Any other item specific to the event

- The following regulations will be used. All entrants undertake to respect these regulations by participating in the Event:
 - 2025 FIA International Sporting Code and Appendices (ISC).
 - KNAF Reglementen Boek 2025.
 - Reglement Autoensport Nationaal 2025.
 - All class regulations and bulletins of the championship(s) mentioned in article 1.
 - These Supplementary Regulations.
- In addition to Appendix H of the 2025 FIA International Sporting Code and the KNAF Reglementen Boek 2025 it is possible that at post 0.5 and 1, post 7 and 7.4, post 8 and 8.2, post 10.7 and 11 and post 14 and 14.3 the same flags will be shown as a pre-warning (yellow flags).
- Starting time (and location) of the Licence checks, Scrutineering, Drivers Briefings, Free Practices, Qualifications, and Races, can all be found in the official Time Schedule of the Event.
- Going on and off the track will be explained in the Drivers Briefing or Team Information document.
- In deviation to art. 13.5 of the FIA International Sporting Code, protests have to be addressed to the Stewards of the Event and delivered to the Secretary of the Event instead of the Clerk of the Course.
 - Protest Deposit: according the regulations of the KNAF
 - Technical Protests according the regulations of the KNAF
 - Appeal deposit: according the regulations of the KNAF
- All pit garages must be kept locked from the inside to avoid unauthorised persons passing through to pit lane, fines maybe imposed by the Stewards of the Event on offenders.
- Refuelling is only allowed in the pit lane.
- All fuel must be stored in drip trays.
- Access to the pit: minimum age is 16 years (except holders of a racing Licence).
- It is not allowed to smoke or use open fire in the pit boxes, in the pit lane and on the roof of the pitlane building.
- The pit lane has been divided into two lanes. The lane closest to the pit wall/track is designated the 'fast lane' and the lane closest to the pit boxes is designated the 'inner lane' or 'working lane' and is the only area where any work can be carried out on a Car. Exceptions can be made by the Race Director at a red flag situation.
- Competitors may not paint lines on any part of the pit lane.
- No equipment may be left in the fast lane of the pit lane. A Car may enter or remain in the fast lane only with the Driver sitting in the Car behind the steering wheel in his normal position, even when the Car is being pushed.
- Team personnel are only allowed in the pit lane immediately before they are required to work on a Car and must withdraw as soon as the work is complete.
- Pit lane entry- and exit- timing loops are indicated by a stopwatch sign.
- The Driver must sign the 'responsibility clause' (according to the General regulations concerning racing contests).
- For minor competitors a "Parental Consent Authorisation" should be presented at Administrative Control, in case the parent will not be present at the Event.
- For entrants, other than the Driver concerned, not present at this Event a written authorisation should be presented at Administrative Control.
- Every person (Drivers, team members, officials, press etc.) who enters the pit area must at all times wear his ticket/pass visible, in a way that the controlling officials can at any time without problem see whether this person has the right ticket/pass. If a person is not wearing his ticket/pass visible, he may not enter the pit area.
- Every Car shall be timed at the start/finish line after completion of the first and subsequent laps with a transponder. All Cars have to be equipped with a permanent transponder, which must be mounted in the Car at the right place. Malversation or obstruction of the rules mentioned in this article may lead to exclusion and shall be reported to the Stewards of the Event.

- Every competitor, team owner, Driver team-member who wishes to use an apparatus with radio communication must submit an application at least 1 month before the event – the application form can be obtained on the internet at:
