If a participating car fails to reach the finish of a stage, it will automatically be assumed that there will be a restart the following day, unless the team informs the Competitor relations Officer or the Race Secretariat of its definitive retirement, at the latest before the time stated in the programme (art. 3).

The Competitor relations Officer must be informed of the reason for the retirement within 30 minutes after the end of the stage in which he retired.

Before restarting a stage, the car must undergo a scrutineering, as stated in art. 3 – programme.

4.8 Identification requirement for the Strijpse Kampen Special Stage

To gain access to the defence site during the reconnaissance and rally for the Strijpse Kampen special stage, both the 1st and 2nd driver must register in advance with the Dutch Ministry of Defence, see registration procedure in appendix 6.

5 INSURANCE

- 5.1 Competitors and/or drivers must be in possession of valid insurance that covers them against third party liability for personal injury and property damage on sections of the rally that are not closed to other traffic.
It is the competitors' and/or drivers' responsibility to arrange such insurance and/or extension of the existing insurance.
Competitors and/or drivers are requested to declare and sign that they have such insurance (see article 5.3.).

- 5.2 The entry fee includes the premium for the liability insurance. This can be summarized as follows:
- The organizer has taken measures to insure competitors and drivers against third parties when they take part in a certain part of the rally that is held on private land or on roads that are closed specifically for this purpose.
 - The amount insured for this special insurance is €7,500,000 per accident or event.
 - A deductible of €2,500 applies per claim.
 - In the event of damage, the organizer will charge this to the person(s) responsible.
- Coverage commences at the start of the rally and ends at the finish of the rally or at the time the team in question retires or is disqualified.

For Dutch license holders only:

The entry fee includes the premium for a collective accident insurance. The insured amounts (per person) are:

- In case of death: € 25,000.00
- In case of total permanent disability: € 100,000.00
- In the event of medical treatment up to an amount of maximum*: € 1,000.00

*Only as a supplement to a primary health insurance policy or provision.

5.3 Waiver of Liability

Competitors and drivers must sign a "Waiver of Liability" according to SRR Appendix II-10. Collection of the signed Waiver of Liability will take place at the time and location stated in the program (art. 3).

6 ADVERTISING AND IDENTIFICATION

6.1 Mandatory advertising

8 FUEL

Refueling

Fuel may only be refueled at the locations indicated by the organiser in the road book, in accordance with SRR art. 61.

Refueling is permitted:

- Central service area
Refueling at the vehicle's own service point, under the responsibility of the team.
- Commercial gas stations along the connecting route.

See also the SRR for the rules.

Addition to the SRR:

Both drivers must be outside the car while refueling!

The public and/or guests are not allowed to be within the designated service area while refueling.

9 RECONNAISSANCE

9.1 Registration procedure

9.1.1

During reconnaissance, the control system must be present in the reconnaissance car and must be permanently activated.

The RallySafe "RSLite App" must be installed on a mobile device during reconnaissance, for example on a mobile phone.

Each team has a unique code on the acceptance letter to log in to the app. Explanation of this app is stated on the notice board.

The app provides real-time monitoring of each crew during reconnaissance. The device must support the app and the GPS connection must work. If necessary, the device settings must be activated to support GPS.

The device must be switched on and working during the entire reconnaissance period. The crew is responsible for this. Switching off this system during reconnaissance or the incorrect functioning of this system by the crew will be penalized by the race director according to SRR article 35.4.7.

- 9.1.2** The organizer will provide each crew with 2 reconnaissance stickers with the competition number.
These stickers must be placed on the car, legibly and visibly, as follows:
- 1 sticker on the windshield, top right corner.
 - 1 sticker on the right rear side window.
- 9.2 Special and/or national restrictions and maximum speeds on the special stages:**
- 9.2.1** The rules for reconnaissance are according to SRR art. 35. The organizer will intensively check the roads of the special stages .
Reconnaissance is only permitted on the dates and times stated in Appendix 2 of these Supplementary Regulations.
- 9.2.2** The maximum speed on the special stages during reconnaissance is: 80 km/h, outside the legally permitted speeds on site.
Please note: The maximum speed on the entire SS Strijpse Kampen is 30 km/h, on the entire SS Ekkersrijt the maximum speed is 50 km/h!
- 9.3 Parking reconnaissance cars**
There is no separate parking lot for reconnaissance cars, they must be parked in the regular parking lot(s).
- 9.4 Speed checks**
Police, marshals and officials will closely monitor the behavior of the teams during the reconnaissance visually and/or by means of electronic and/or photographic and/or video equipment. Violations will be reported to the race management.
- 9.5 Identification requirement for the Strijpse Kampen Special Stage**
In order to gain access to the defence site during the reconnaissance and rally for the Strijpse Kampen special stage, both the 1st and 2nd driver must register in advance with the Ministry of Defence, see registration procedure in appendix 6.
Not registered or not approved = no access!
So you can't drive at SS Strijpse Kampen!
- 10 ADMINISTRATIVE CHECKS**
- 10.1** **During the digital document check, the following original and valid documents are checked:**
- Competitor license (if applicable).
 - Driver and navigator licenses.
 - "Parent-child" license in case of a minor competitor / navigator.
- The digital document check will take place in the week prior to the rally.
All documents must be uploaded electronically in the entry in Rallydocs no later than in accordance with Article 3.
If the documents are missing, the race director can report this to the Stewards who can penalize the team.
- 10.2 Administrative checks and intake Indemnity Clause**
The administrative control of the documents (if necessary) will take place at the time and location mentioned in article 3. The signed Indemnity Clause (exclusion of liability) will also be collected there, together with the issue of the necessary materials.

11 SCRUTINEERING, SEALING AND MARKING

11.1 Location and schedule of scrutineering

The Scrutineering will take place at the time and location stated in the programme (art. 3), published on the letter of acceptance.

The tracking system must be installed during the scrutineering. The tracking system must be collected by the service team or crew at the location stated in the program (art. 3).

In addition, if additional lighting is used during the rally, the additional lighting must be installed at the time of inspection.

The letter of acceptance must be submitted at the Scrutineering.

11.2 Competitors Safety Equipment Form

To make competitors aware of wearing the correct clothing, a "Competitor Safety Equipment Form" has been developed.

The "Competitor Safety Equipment Form" is published on the electronic notice board and must be completed truthfully and completely by both the rider and the navigator, with details of the clothing, helmets and HANS system used during the race.

The "Competitor Safety Equipment Form" must be handed in at the scrutineering by the service team or by the crew itself.

In the absence of the "Competitor Safety Equipment Form", the race director will report this to the Stewards.

12 OTHER PROCEDURES AND REGULATIONS

12.1 The official start of the rally will take place on

- ELE Rally: Friday, May 23, 2025 at approximately 6:30 PM.
- ELE Historic Rally: Friday, May 23, 2025 at approximately 8:10 PM.

At TC Service OUT (TC0) on the service area.

For the exact time, see the starting list on the electronic notice board.

The ceremonial start of the rally will take place on:

- ELE Rally: Friday, May 23, 2025 at approximately 6:50 PM.
- ELE Historic Rally: Friday, May 23, 2025 at approximately 8:30 PM.

On the starting podium (TC0A) on the Kerkplein in the center of Son en Breugel.

The rally will restart on

- ELE Rally: Saturday May 24, 2025 at approximately 9:55 AM.
- ELE Historic Rally: Saturday May 24, 2025 at approximately 11:35 AM.

At TC Parc Fermé OUT (TC4B).

For the exact time, see the restart list on the electronic notice board.

12.2 Start of the Special Stages

The start of the special stages will be given by an electronic countdown system.

12.3 Reporting too early at the end of a leg and/or rally

The team is allowed to report too early to the time control at the end of a leg and at the end of the rally without penalty.

12.4 Service area

12.4.1 Service requests

All wishes and requests regarding service areas must be indicated in Rallydocs during entry. See chapter 3 for the closing date, so that this can be taken into account when allocating the service areas.

This includes, among other things:

- Desired deviating arrival time
- Want to stand together with multiple teams
- Number and dimensions of your service cars and/or trucks
- Drawing with layout of your service area(s)

Please note: the fixed depth of the service areas is 10 meters. The width is expandable (see 4.4.1).

- Vehicles and combinations >9m must be registered via service@elerally.nl.

Additions, details and changes can be sent by e-mail: service@elerally.nl.

Please note: You can only claim requests that have been confirmed to you by email.

12.4.2 Service Welcome Center

All (service) teams must first report to the Service Welcome Center upon arrival at the time and location stated in the program (art. 3). This also applies to all service vehicles including trucks! In case of delay, please contact the rally secretariat by telephone.

At the Service Welcome Center:

- The (service) team receives their documents (including stickers and rally shields for the rally car).
- The (service) team receives instructions for reporting to the central service area.
- Does the (service) team receive formal instructions applicable on and around the Service Area?
- The (service) team must drive the rally car(s) off the trailer at the Service Welcome Center or at the trailer park. Unloading the rally car(s) at the service area is not possible! The trailer remains in the trailer park.
- Are the service stickers applied correctly to the service cars. Then the (service) team drives the service car(s) and the rally car via the indicated route to the service area. At the entrance of the service area the (service) team is brought to your service area by an official.

12.4.3 Trailer parc

- The location of the trailer park is close to the Service Welcome Center and the service area, exact location will be provided upon arrival at the Service Welcome Center.
- You will receive instructions at the Service Welcome Center.
- Lock trailers and vehicles properly (no permanent supervision).

12.4.4 Central service area

In accordance with the time and location stated in the program (art. 3).

- The (service) teams must first report to the Service Welcome Center, see article 12.4.2.
- Access to the service area is only for:
 - Rally cars equipped with prescribed stickers (start numbers and advertising stickers) and rally shield.
 - (Service) vehicles equipped with the window sticker "Service" (Stuck on the windshield at the top right). Only park within the own service area (SRR art. 57.6.1)
 - **Parking or leaving vehicles in places other than those indicated above is strictly prohibited and may lead to punishment of the related team(s)! (SRR art. 57.6.1). If a vehicle is at a critical point, towing may also be decided.**
- The mandatory fire extinguisher(s) (SRR) must always be within reach and preferably visible within the own service area and must be shown immediately upon inspection. Teams and crews are obliged to make themselves and their own fire extinguisher(s) immediately available to other teams, crews and organization in the event of a fire hazardous situation or incident.
- Normal service regulations apply. This includes safety regulations, environmental regulations and penalties according to SRR.
- Depending on availability, there is the option to purchase additional access through an additional service package, see article 4.4.1.
- The maximum speed on the service areas is walking pace, 10 km/h for all drivers. In addition, driving behavior must be adjusted to the joint and safe use of the service area by competitors, public and employees.
Violations by competitors and/or teams will be considered a violation of the code of conduct (SRR art. 57.4).

12.4.5 Environment

The service areas (central service area) must be set up and used by the service teams in accordance with SRR and these Supplementary Regulations (with special attention to soil protection).

Soil contamination must be prevented to the utmost! To this end, each team must have effective absorbents available in addition to the standard prescribed preventive measures (SRR). If soil contamination does occur, absorption and cleaning must be started immediately. In addition, the service coordinator must be informed immediately.

After the event, the service area assigned to you must be left tidy and clean.

In the event of a violation, in addition to the penalties imposed under SRR, the costs for cleaning up/damage will also be charged.

12.5 Deviating regulations

12.5.1 Exchange of "image carriers" in regrouping area or Parc Fermé

Permission for employees of RTL GP RallySpecial and Omroep Brabant to - under the supervision of an official of the organization - change "image carriers" in the regrouping area or in the Parc Fermé.

12.5.2 Power Stage

To clarify article 50.2 of the SRR: During the ELE Rally and ELE Historic Rally, not the final special stage but SS 11 - Strijpse Kampen 3 will be designated as the "Powerstage".

12.6 Official time

The official time used during the rally is the NTP system (Network Time Protocol)

13 IDENTIFICATION OF OFFICIALS

The officials are recognizable as described in the SRR Appendix III, art 5.2.7:

 - 5 - 8 starters per class: 1st - 2nd place
 - 9 and more starters per class: 1st - 3rd place

Both members of the team receive a cup.

15 FINAL CHECKS

15.1 Final checks

According to the provisions of Article 33 of the SRR, the final scrutineering will take place in accordance with the programme (Article 3):
The teams concerned will be informed in writing.

15.2 Protest deposit fees

A protest must be submitted in writing together with the protest deposit according to the "Protest Regulations" of the KNAF regulations book.

15.3 Appeal deposit fees

Any appeal must be submitted in accordance with the provisions of the "Appeal Guidelines" of the KNAF regulations book.

APPENDIX 1: Itinerary

The final timetable will be published on the electronic notice board in accordance with Article 3 of the Programme.

APPENDIX 5: Extract from FIA Appendix L relating to overalls, helmets and other safety requirements

All competitors are reminded once again of the rules of Annex L of the FIA International Sporting Code, in particular Chapter III – Drivers and Navigators Equipment

Helmets (Annex L, Chapter III, Art. 1)

All drivers and co-drivers must wear helmets homologated to one of the following FIA standards:

- 8859-2015 (Technical List N°49),
- 8859-2024 or 8859-2024-ABP (Technical List N°107)
- 8860-2010 (Technical List N°33) or
- 8860-2018 or 8860-2018-ABP (Technical List N°69)

Frontal Head Restraint (FHR, Annex L, Chapter III, Art. 3)

All drivers and co-drivers must wear an FIA approved FHR system, homologated to FIA standard 8858. Approved FHRs, anchorages and straps are listed in Technical List N° 29. See also helmet compatibility in Annex L, Chapter III, Art. 3.3.

Flame retardant clothing (Annex L, Chapter III, Art. 2)

All drivers and navigators must wear overalls, gloves (optional for navigators), long underwear, a balaclava, socks and shoes complying with the FIA 8856-2000 standard (Technical List N°27) or 8856-2018 (Technical List N°74). In particular, special attention is requested to be paid to the provisions of Art. 2 regarding embroidery and printing on fire-retardant clothing (manufacturer's certificates, etc.) as well as the correct wearing of the clothing! See also SRR, Article 53.1.1.

In summary:

- 8856-2018 >> latest standard, can be used by everyone, but is mandatory in more and more international competitions.
- 8856-2000 overall without hologram >> **no longer valid.**
- 8856-2000 underwear etc. without hologram >> **no longer valid.**
- 8856-2000 overall with hologram >> still valid for the time being, but not for all international competitions.
- 8856-2000 underwear etc. with hologram >> still valid for the time being, but not for all international competitions.

APPENDIX 6: Registration procedure SS Strijpse Kampen

For the reconnaissance of the special stage Strijpse Kampen (according to the reconnaissance schedule) and to drive at speed in the rally, each 1st and 2nd driver must register in advance with the Dutch Ministry of Defence. If no registration is made, access to the Defence site will not be granted!

In addition, each 1st and 2nd driver must be able to identify themselves at the entrance gate with their provided ID. If you are unable to show your ID, you will still not be granted access to the defense area! A photo on your phone is not valid!

From the Dutch Ministry of Defence (noreply@mindef.nl) the 1st and 2nd driver will receive an email shortly before the rally, on the email address entered in Rallydocs, for the purpose of registration for access to the defence site. (Please note: Each person has their own email address). There is a chance that you will receive a separate email for Friday (reconnaissance) and Saturday (rally), the email will include an access date.

Make sure that the 1st and 2nd driver have their own personal email address entered in Rallydocs!

Email addresses such as info@, or sales@, or Rallyteam@ are not valid. It must be an email address in your own name.

Registration procedure:

1. The Dutch Ministry of Defence will send an email to the email addresses provided in Rallydocs for additional information about the driver and navigator (each with a personal email).
2. Everyone must watch a short film via the link in that email and fill in the additional details. (Do not send any details to the ELE organization).
3. After this, the Dutch Ministry of Defense will do a check. If the person is admitted, this person will receive a confirmation email from the Dutch Ministry of Defense that his application has been approved. The ELE organization will receive a total overview from the Dutch Ministry of Defense, the ELE organization has no influence on the admission!
4. **Not registered or not approved = no access!**
So you can't drive at SS Strijpse Kampen!

APPENDIX 7: Overview of the main modified/added rules from the Dutch ASN (KNAF) versus FIA Regulations, which are applicable during the 60th ELE Rally and 7th ELE Historic Rally

The numbering of article is in accordance with the KNAF Reglementenboek 2025.

5. KNAF Anti-Alcohol Regulation

4.1 In case of exceeding the permitted alcohol %, including rejection of the test procedure and/or not following instructions, driver will be disqualified from the event.
