10. Any other item specific to the championship

- Code 60 / purple flag will be used; see KNAF Reglement vlagsignalen in het KRB 2019 (hoofdstuk 2, Paarse vlag / Code 60. (Max. 60 km/h).
- Every car needs to make minimum of 3 pit stops. After driving a stint (minimum 20 minutes, maximum 80 minutes) a driver change is mandatory.
- Time penalties / or other penalties according to: KNAF Reglementen Sectie Autorensport, Clubsport – Sportief en Technisch Reglement 2019, art. 15.
- For participation in the races, a minimum of 2 drivers must take part in the qualifying.
- If a driver did not take part in the official qualifying, he/she can request to start at the back of the grid. Request should be addressed in writing to the secretary of the Event.
- Every driver is obliged to be at the 'Drivers' Briefing, for time and location, see official timing.
- Through registration the driver/applicant expressly states that the registered vehicle is fully compliant with all (safety) regulations and is suitable to participate in the relevant speed event. Offering the car for

scrutineering is considered as an implicit statement that the car, in all respects, complies with the regulations.

- By performing a technical test, the Organizer accepts no liability for the suitability of the car to participate in the event in question.
- Pitstop time clarification WEK regulations:
 - Article 12C. Every planned pit stop without refueling must have a minimum duration of 60 seconds (the car must stand still for 60 seconds minimum). Exceptions are a flat tire, remove loose parts of the car or assemble the loose parts, all this without refueling of the car or change driver.
 - Article 14: Refueling: For 20-liter steel cans, a minimum duration of 60 seconds (the car must stand still for 60 seconds minimum) for each refueling applies.
- The following example is allowed regarding pitstop and refueling:
 - Driver 1 drives into pitlane and crosses the timing line.
 - Driver 1 stops car in front of team garage.
 - Driver 1 steps out of the car and driver 2 steps into the car (all doors and windows closed).
 - Refueling begins (when fuel-cap is opened) and the 60 seconds start.
 - When refueling takes 45 seconds, the team must wait another 15 seconds before working on the car may start or driver 2 may drive away.
 - When the work on the car is done and driver 2 is ready, driver 2 may drive away. For example after 72 seconds.

11. Any other item specific to the event

- The following regulations will be used. All entrants undertake to respect these regulations by participating in the event:
 - 2019 FIA International Sporting Code and Appendices (ISC).
 - KNAF Reglementenboek 2019.
 - Reglement Sectie Autorensport, Clubsport 2019.
 - All class regulations and bulletins of the classes mentioned in article 1.
 - These Supplementary Regulations.
- The maximum noise production per car is measured at the official measurement point located in the Arie Luyendijk Corner. Noise measurement executed by the Government will prevail over the regulations.
- In addition to Appendix H of the 2019 FIA International Sporting Code and the KNAF Reglementenboek 2019 it is possible that at post 2 and 3, post 9 and 10, post 15 and 16 and post 19 and 20 the same flags will be shown as a pre-warning (yellow flags).
- Starting time (and location) of the Licence checks, Scrutineering, Briefings, Free Practices, Qualifications, and Races, can all be found in the official Time Schedule of the event.
- Going on and off the track will be explained in the drivers briefing.
- All pit garages must be kept locked from the inside to avoid unauthorised persons passing through to pit lane, fines maybe imposed on offenders.
- Refuelling is only allowed in the pit lane.
- Access to the pit: minimum age is 16 years (except holders of a racing Licence).
- It is not allowed to smoke or use open fire in the pit boxes, in the pit lane and on the roof of the pitlane building.
- The pit lane has been divided into two lanes. The lane closest to the pit wall/track is designated the 'fast lane' and the lane closest to the pit boxes is designated the 'inner lane' or 'working lane', and is the only area where any work can be carried out on a car.
- Competitors may not paint lines on any part of the pit lane.
- No equipment may be left in the fast lane of the pit lane. A car may enter or remain in the fast lane only with the driver sitting in the car behind the steering wheel in his normal position, even when the car is being pushed.
- Team personnel are only allowed in the pit lane immediately before they are required to work on a car and must withdraw as soon as the work is complete.

- Pit lane entry- and exit- timing loops are indicated by a stopwatch sign.
- The driver must sign the 'responsibility clause' (according to the General regulations concerning racing contests).
- For minor competitors a “Parental Consent Authorisation” should be presented at Administrative Control, in case the parent will not be present at the meeting.
- For entrants, other than the driver concerned, not present at this meeting a written authorisation should be presented at Administrative Control.
- Every person (drivers, team members, officials, press etc.) who enters the pit area must always wear his ticket/pass visible, in a way that the controlling officials can at any time without problem see whether this person has the right ticket/pass. If a person is not wearing his ticket/pass visible, he may not enter the pit area.
- Every car shall be timed at the start/finish line after completion of the first and subsequent laps with a transponder. All cars must be equipped with a permanent transponder, which must be mounted in the car at the right place. Malversation or obstruction of the rules mentioned in this article may lead to exclusion.
- Every competitor, team owner, driver team-member who wishes to use an apparatus with radio communication must submit an application at least 1 month before the event – the application form can be obtained on the internet at:
