Annuleren

Select the button “Doorgaan” and confirm with “Doorgaan” to send the request to KNAF. You will see the message as shown below.

Select the OK button to go back to the license overview. You will see your request there.

As soon as KNAF has checked the request, the status will be set to “Actief”. You are then ready to register for NK Autocross.

The change of the status can take a few days. Log in to the system to check the status of your request.
