9. Details per championship

Triumph Competitions & British HTGT 2022

- Number of cars allowed in Quali : 57
- Number of cars allowed in Race : 47
- Starting mode : Standing Start
- Starting order Race 1 : Best qualifying time
- Starting order Race 2 : Results of Race 1
- Minimum licence requirement : Full International Grade ITC-C (or higher grade) licence or an international historic race license, which allows for participation abroad. Every participant must be able to show a valid medical certificate (for FIA license holders printed on the backside of the license). Foreign competitors (from outside the country where the event is held) should present an authorization from their respective parent ASN.
- Maximum noise production per car : 90 dB(A)
- Parc Ferme location : Scrutineering Bay, Paddock 2

10. Any other item specific to the championship

- Time penalties / penalties according to: Autorensport Reglement National 2022, art. 14.
- If a Competitor did not take part in the official qualifying, he/she can request to start at the back of the field. Request should be addressed to the secretary of the Event.

- Every Competitor is obliged to be at the Drivers briefing, for time and location, see official Timing Schedule.
- Through registration the Competitor/applicant expressly states that the registered Car is fully compliant with all (safety) regulations and is suitable to participate in the relevant Event. Offering the Car for scrutineering is considered as an implicit statement that the car, in all respects, complies with the regulations.
- By performing a technical test, the Organiser accepts no liability for the suitability of the Car to participate in the event in question.

11. Any other item specific to the event

- The following regulations will be used. All entrants undertake to respect these regulations by participating in the event:
 - 2022 FIA International Sporting Code and Appendices (ISC).
 - KNAF Reglementen Boek 2022.
 - All class regulations and bulletins of the classes mentioned in article 1.
 - These Supplementary Regulations.
- The Maximum noise production per Car is measured at the official measurement point located in Turn 14. Noise measurement executed by the Government will prevail over the regulations.
- In addition to Appendix H of the 2022 FIA International Sporting Code and the KNAF Reglementen Boek 2022 it is possible that at post 0.5 and 1, post 7 and 7.4, post 8 and 8.2, post 10.7 and 11 and post 14 and 14.3 the same flags will be shown as a pre-warning (yellow flags).
- Starting time (and location) of the Licence Checks, Scrutineering, Briefings, Free Practices, Qualifications, and Races, can all be found in the official Time Schedule of the Event.
- Going on and off the track will be explained in the Drivers briefing.
- All pit garages must be kept locked from the inside to avoid unauthorised persons passing through to pit lane, fines maybe imposed on offenders.
- Refuelling is only allowed in the pit lane.
- Access to the pit: minimum age is 16 years (except holders of a Racing Licence).
- It is not allowed to smoke or use open fire in the pit boxes, in the pit lane and on the roof of the pitlane building.
- The pit lane has been divided into two lanes. The lane closest to the pit wall/track is designated the 'fast lane' and the lane closest to the pit boxes is designated the 'inner lane' or 'working lane' and is the only area where any work can be carried out on a Car.
- Competitors may not paint lines on any part of the pit lane.
- No equipment may be left in the fast lane of the pit lane. A Car may enter or remain in the fast lane only with the Competitor sitting in the Car behind the steering wheel in his normal position, even when the Car is being pushed.
- Team personnel are only allowed in the pit lane immediately before they are required to work on a Car and must withdraw as soon as the work is complete.
- Pit lane entry- and exit- timing loops are indicated by a stopwatch sign.
- The Competitor must sign the 'responsibility clause' (according to the General regulations concerning racing contests).
- For minor competitors a "Parental Consent Authorisation" should be presented at Administrative Control, in case the parent will not be present at the meeting.
- For entrants, other than the Competitor concerned, not present at this meeting a written authorisation should be presented at Administrative Control.
- Every person (Competitors, team members, officials, press etc.) who enters the pit area must at all times wear his ticket/pass visible, in a way that the controlling officials can at any time without problem see whether this person has the right ticket/pass. If a person is not wearing his ticket/pass visible, he may not enter the pit area.
- Every Car shall be timed at the start/finish line after completion of the first and subsequent laps with a transponder. All Cars have to be equipped with a permanent transponder, which must be mounted in

the Car at the right place. Malversation or obstruction of the rules mentioned in this article may lead to exclusion.

- Every competitor, team owner, driver team-member who wishes to use an apparatus with radio communication must submit an application at least 1 month before the event – the application form can be obtained on the internet at:

<https://www.agentschaptelcom.nl/documenten/formulieren/2017/april/4/application-form-for-the-use-of-frequencies-during-events-in-the-netherlands>
