

### Bulletin 3/2022

### Supplement to the Regulations 2022

The amendment is valid with immediate effect.

Changes made as follows:

- Deletions are printed in '**Bold**', '*Italics*' and crossed out (~~word~~).
- Additions are printed in '**Bold**' and '*Italics*'.

Approved by KNAF

permit: 0323.22.246

date: 7<sup>th</sup> June 2022

### Technical Regulations 2022

9.3.2. The mandatory minimum weight of a driver:

~~90kg~~, **85kg**

It is the driver's responsibility to ensure that the sum of the installed equalisation weight plus his/her actual weight (including the parts of his/her personal equipment in the vehicle at the time of the order to weigh the vehicle) is reached at all times.

#### 10.2. Measuring point

See Attachment **8** 6.

#### 18. Cameras

The installation of a camera system is mandatory. This must be a 'High Definition' system. This installation will be checked by a member of the Technical Scrutineers. It is the responsibility of the competitor to provide the equipment. Each competitor needs to make sure each session is recorded and stored **on a removable memory card**. We advise to foresee a spare memory card for in case one is confiscated for analysis. The PCCB is owner of the recorded videos and its copyrights. The videos can be used in private circumstances but can't be distributed to third parties. The camera needs to be positioned in the centre of the car. Mounted on the x-shaped tube of the roll cage behind the seat. The camera should be mounted in a way that it records the driver and track in front of the car.

Parts should be rigid to guarantee a good recording quality. An additional safety measure must be taken in account by attaching a keycord to camera and roll cage. This to avoid a drop of the camera into the pedal box during an incident. Make sure that the keycord doesn't block the view of the camera while braking. The use of mounting parts with suction cup are forbidden, with the exception when using a 'Racelogic VBox' System RLVBVDH001P. The use of camera on the outside of the cockpit are prohibited.
