

## SuperSixties by NKHTGT

### Series Bulletin Nr. 03/2023

dated 21.05.2023

To SuperSixties by NKHTGT Sporting and Technical Regulations 2023  
(with KNAF-permit No.: 0326.23.120)

#### Amendment to the Sporting and Technical regulations SuperSixties by NKHTGT 2023

This bulletin is in force with immediate application.

**Subject: Addition to (Part 2, Technical Regulations 2023) 2.6 Permitted deviations from Appendix K.**

#### 2.6 D Ground clearance

In derogation from App VIII to FIA appendix K, art. 10.2, the permitted minimum ground clearance for cars of GT, GTS, T and CT classes is:

- Chassis: **100 mm**, with exception of parts of the exhaust system.
- Exhaust system (pipes and silencers): **70 mm**.

In derogation from FIA appendix K, art. 6.17.3, the permitted minimum ground clearance for non-homologated cars (GTP's) is

- Chassis: **60 mm**, with exception of parts of the exhaust system
- Exhaust system (pipes and silencers): **50 mm**.
